

# Green Fleet Review

The Energy Saving Trust could help you save £1,000 per vehicle per year! Their free Green Fleet Review provides highly tailored fleet management advice to help you lower running costs, reduce environmental impact and enhance corporate social responsibility.

## How to get it?

If you would like to sign up for a free Green Fleet Review or find out more information call the Energy Savings Trust on 0845 602 1425.

## Availability & Cost?

To be eligible for the Green Fleet Review you need to operate a fleet of 50 or more vehicles (up to 3.5 tonnes) in England, Wales, or 20 or more in Scotland.

## Further Information?

The review is funded by the Department for Transport, the Welsh Assembly Government, and the Scottish Executive. Green Fleet Reviews are carried out by specialists with a wide spectrum of experience working with a range of fleets.
