	Murray Park	The Parks Team have successfully consulted to reintroduction of grass roots football pitches to the site and a weekend only mobile catering concession. Mobile catering will begin at site later in spring.	Complete

Other Parks Projects

Towpath Tree Management

Alongside the Port of London Authority, the Council have created a wooded towpath management plan from 2022-2036. The management plan seeks to unify the approach to managing and maintaining the bank and towpath environment for the future. The plan focuses on tree and woodland management whilst considering the wider ecology, heritage and user matters.

Tree works started in February 2023. The majority of the works will be carried out without any closures with diversions directing users to alternative routes.

Seeds of Change project - Walk this way

Wellbeing Walks / Accessible Wellbeing Walks

A new programme of walks has been developed for 2024 with partners. The dementia inclusive litter pick has been included in the programme. All activities are listed on the council website https://www.richmond.gov.uk/services/parks_and_open_spaces/explore_richmonds_parks_and_open_spaces/friendly_parks_for_all

Climate Change project – Re-imagining Richmond

The project linked to the borough Climate Change emergency aims to get young people to envisage what an open space could look like and the role that it could play in mitigating climate change. The project will be working with the Friends of Heathfield and 3 local schools.

Green Flag Award

The Parks Team achieved 22 Green Flag Awards for the below sites for 2024-25 and a new Green Flag for East Sheen Common.

Below is a list of our 21 other Green Flag sites:

- [Buccleuch Gardens](#) (combined with Terrace Gardens)
- [Cambridge Gardens](#)
- [Carlisle Park](#)
- [Crane Park](#) (joint with LB Hounslow)
- [Garrick's Lawn](#)
- [Ham Village Green](#)
- [Hampton Common](#)
- [Hatherop Park](#)
- [Heathfield Recreation Ground](#)
- [Kew Green](#)
- [Kneller Gardens](#)
- [Murray Park](#)
- [North Sheen Recreation Ground](#)
- [Palewell Common and Fields](#)
- [Radnor Gardens](#)
- [Richmond Green](#)
- [Terrace Gardens](#) (combined with Buccleuch Gardens)
- [The Kings Field](#)
- [Twickenham Green](#)
- [Vine Road Recreation Ground](#)
- [Westerley Ware](#)
- [York House Gardens](#)

We will be applying to two new Green Flags for 2025-26, these are at Grove Gardens and Barnes Green. Each of these sites are in wards which do not already hold a Green Flag.

Tree Team Updates

Tree Planting Season 2024-25

An extensive programme of tree planting is taking place with over 800 trees due to be planted, details of the programme can be found here: [Tree planting - London Borough of Richmond upon Thames](#). Over 300 trees have been planted so far and the current focus is on the preparatory work involved in tree pit construction, which will allow for the remainder of the programme to be delivered by the end of the season.

Grant Funding

We received notification of a successful bid for Urban Tree Challenge Fund monies for tree planting and maintenance in the 2024-25 and 2025-26 seasons. We expect to deliver around 150 funded sites in the current season and will be eligible for funding 20% of the number planted in the following season.

Friends of Street Trees

2024 saw the formal launch of the Friends of Street Trees and its partnership with the London Borough of Richmond: [Getting involved - Friends of Street Trees](#). A call-to-action event is planned for spring to encourage people to join the friends ahead of the growing season, this will coincide with watering labels which promote watering and link to the Council web pages and Friends of Street Trees.

Public Survey – Tree Planting

The Council has reached out to our residents to understand attitudes towards trees and tree planting, this has received over 1300 responses and an analysis is currently pending. This will feed into the tree planting strategy being developed.

Free Tree Giveaway

Richmond Council has been running a free tree giveaway, this has generated strong interest with almost all the 950 trees available being reserved. The first event was run from Kneller Gardens on 25th January and saw 400 trees collected for planting within private property. The second collection event will be taking place at Old Deer Park on 8th February 2025.

Biodiversity

Planting to support the Council's nature conservation efforts is taking place with trees being planted in Ham Lands, Hatherop Park, Pest House Common, Twickenham Rough, Crane Park, Old Deer Park, Kew Pond and Willow Way. This included resistant elms to support the endangered White-letter hairstreak butterfly, and cherry, damson, plum, crab apple, and pear to support pollinators and foragers.

Greening Richmond Schools

Trees team is working with Habitats and Heritage to support the Greening Richmond Schools project. The Council is providing advice and will donate trees for participating schools.
