You don't often get email from [Redacted]. [Learn why this is important](#)

I am concerned about the designation of an area along the railway line, north of Teddington station, up to and over the bridge, as a “mid-rise zone” and any pana that considers a line of buildings at this height (up to 6 storeys) would change the character of the town. It would not conserve or enhance it. I wish to register my objection

Stephen
